

EDXCARE LEARNING SERVICES Associate Consultant Profile

Sowmya

Sowmya is a performance enabler, certified in behavioural analysis. She has around 18 years of work experience. Creative content writing, client management, training and development are her forte. For the past 10 years she has been associated with training and development.

She has successfully facilitated learning for thousands of individuals at different management levels. The rigor and energy she delivers complements effectively to the knowledge transfer she provides. The methodology she uses to facilitate is based on the adult learning principles of structured exercises, group discussions, case studies, tools, instruments and assessments to provide a practical learning experience.

Sowmya has been associated with some of the most renowned organizations. She has an in-depth operational understanding and hands-on! training experience.
